PROFESSIONAL SUMMARY

Proficient in converting Figma designs into pixel-perfect code with a strong focus on performance, cross-browser compatibility, and clean coding practices. Frontend Developer with 1 years of experience in HTML, CSS, JavaScript, React JS and Next JS. Continuously learning and expanding backend skills with Python and Django.

PROJECTS

❖ Freelancing Platform UI (HTML/CSS)

Created UI layout for a Fiverr and Upwork like freelancing platform. Focused on usability, layout precision, and responsive design.

❖ Portfolio Website (Next JS) | [Link](#)

Designed and developed a personal portfolio using HTML, CSS, JavaScript, Typescript and Next JS to showcase projects and technical skills with a clean, responsive layout.

❖ Task Management App (React JS)

Built a to-do list app with React.js for dynamic UI updates and component reusability. Integrated localStorage for persistent data handling.
